SBC COMMUNICATION INC. NOMINATIONS

Dispute Resolution Task Force

Name: Ms. Phyllis Anderson
Company: SBC Communications Inc.
Address: One Bell Center
Room 40-W-01
St. Louis, MO 63101
Telephone No. (314) 331-1773
Facsimile No. (314) 235-9613
E-mail Address: pa7516@stlmail7.sbc.com
Qualifications: Ms. Anderson has seventeen years of broad experience in many areas of the telecommunications industry, the last seven years dealing with the technical and policy issues related to the North American Numbering Plan. This experience includes, among others, active participation in industry numbering forums such as the Future of Numbering Forum (FNF) and the Industry Carrier's Compatibility Forum (ICCF). She has also participated and held leadership roles in the Industry Numbering Committee (INC). She is familiar with the operations of current North American Numbering plan administration both from the perspective of the administrator and the entities that use numbering resources. In addition, Ms. Anderson has served as a Subject Matter Expert (SME) for SBC in both state and federal docketed proceedings related to numbering issues since 1989.

North American Numbering Plan Administration Working Group

Name: Mike Bennett
Company: SBC Communications Inc.
Address: One Bell Center
Room 40-C-01
St. Louis, MO 63101
Telephone No. (314) 235-1533
Facsimile No. (314) 235-9613
E-mail Address: mb6209@stlmail1.sbc.com
Qualifications: Mr. Bennett has sixteen years of telecommunications experience, the last seven dealing with both the technical and regulatory issues associated with numbering-related matters. He is a former representative of the Industry Carriers Compatibility Forum (ICCF), which handled all industry numbering issues at that time. Mr. Bennett co-chaired the CIC Assignment Guidelines Workshop which resulted in the document now used to assign CICs. For the past four years, Mr. Bennett has represented SBC in its Washington, D.C. office on all wireless, video, and network-related issues

(including numbering) of the telephone company. He is now responsible for the oversight of both the INC activity and central office code administration for SBC.

Cost Recovery Task Force

Name: **Frank Meeks**
Company: **SBC Communications Inc.**
Address: **One Bell Center
Room 38-Y-05
St. Louis, MO 63101**
Telephone No. **(314) 235-6021**
Facsimile No. **(314) 235-7815**
E-mail Address: **fm1271@rapa1.sbc.com**
Qualifications: **Mr. Meeks has broad experience in both regulatory and operational aspects of the telecommunications industry and has for the past eight years represented Southwestern Bell on a variety of national industry teams that deal with numbering resource issues. These include: Bellcore's National Initiatives Coordinating Group which, among other duties, oversees the BOC 800 management team; USTA's National Service Advisory Committee which provides technical coordination for national services; and USTA's Numbering Resource Advisory Committee which develops numbering public policy positions for USTA. Mr. Meeks was Southwestern Bell's member on the national 800 Data Base Steering Committee which managed the selection of the administrator for the 800 NASC as well as the direction for the implementation of the data base under CC Docket 86-10. He also served as Southwestern Bell's product manager for funding Bellcore's NANPA duties. Consequently, he is very familiar with selection and funding of numbering administration and its policy implications.**

Transition Planning Task Force for Current NANP Administration Functions

Name: **Phyllis Anderson (see information previously mentioned)**
Company: **SBC Communications Inc.**

Transition Planning Task Force for Central Office (CO) Code Administration Functions

Name : **Bill Adair**
Company: **SBC Communications Inc.**
Address: **5400 Foxridge
Room B-10
Mission, KS 66602**
Telephone No. **(913) 676-1539**
Facsimile No. **(913) 676-1102**
E-mail Address: **NA**
Qualifications: **Mr. Adair has over twenty-four years of broad telecommunications experience, mainly in the areas of network administration, network design, and network planning. He currently is the CO Code Administrator for Southwestern Bell's five state region (over nine years of experience at this position). Mr. Adair is also the NPA Relief Planning Coordinator for each of Southwestern Bell's five states.**

Local Number Portability Administration (LNPA) Selection Working Group

Name: **Gary Fleming**
Company: **SBC Communications Inc.**
Address: **800 N. Harvey
Room 423
Oklahoma City, OK 73102**
Telephone No. **(405) 291-1991**
Facsimile No. **(405) 291-7381**
E-mail Address: **NA**
Qualifications: **Mr. Fleming has twenty-five years of broad experience in the telecommunications industry, mainly in such areas as number administration, network design, network administration, network operations, network maintenance, and network planning. He was a NANPA employee for two years where he authored such documents as the 900 NXX Assignment Guidelines and the ANI Information Digit Assignment Guidelines. Mr. Fleming was the moderator of the Industry Carriers Compatibility Forum for three years, when that forum dealt with all of the industry's numbering issues. For the last three years, he has had oversight responsibility for SBC's INC activity and CO code administration. In his current job, Mr. Fleming is responsible for implementation of local number portability for Southwestern Bell Telephone Company's five state region.**

LNPA Architecture Planning Task Force

Name: Bob Schaefer
Company: SBC Communications Inc.
Address: One Bell Center
Room 38-U-07
St. Louis, MO 63101
Telephone No. (314) 235-0031
Facsimile No. (314) 235-7815
E-mail Address: rs3419@rapa1.sbc.com
Qualifications: Mr. Schaefer has extensive experience in identifying and resolving regulatory and public policy issues associated with national initiatives. During the last twelve of his thirty-two years working in the telecommunications industry, he has served on numerous national teams addressing regulatory and public policy issues associated with national initiatives, including those related to numbering (e.g., Bellcore's Intelligent Network Public policy Issues Group which managed issues associated with CC Docket 86-10 regarding 800 portability, USTA's working group on 500/555 portability, the FCC's initiative for expanding toll free access codes (CC Docket 95-155), and the local number portability proceeding (CC Docket 95-116). Mr. Schaefer also represented Southwestern Bell as the regulatory/public policy Subject Matter Expert (SME) on the multi-regional team charged with selection of the administrator for the 800 NASC as well as the development of the 800 SMS access offering.

LNPA Technical and Operational Requirements Task Force

Name: Marilyn Murdock
Company: SBC Communications Inc.
Address: 500 E. 8th
Room 494
Kansas City, MO 64106
Telephone No. (816) 275-3990
Facsimile No. (816) 275-0683
E-mail Address: NA
Qualifications: Ms. Murdock has over twenty-five years of broad experience in the telecommunications industry, mainly in the areas of network and information systems. For the past several years, she has been heavily involved in technical specifications work. Since 1994, Ms. Murdock has been responsible for managing the technical support of the SMS 800 data base operations located in Kansas City. These duties include the sizing, pricing, installation, and maintenance of all hardware associated with the SMS as well as the installation of the software.
